**The Lee Group Honored with Bronze Addy Award at District 10 Conference**

**HOUSTON, TX** -- The Lee Group announce today that it has been honored with a bronze Addy Award at the American Advertising Federation' s 10th District Convention Addy Awards Ceremony in Houston held April 23—25, 2009.

The Bronze Addy was earned in the category of agency self promotion for a campaign produced to announce the firm' s new brand.

The "Addy Awards" celebrate the best and brightest creative in advertising, public relations and marketing communications. The District 10 competition includes the four-state area of Texas, Louisiana, Oklahoma and Arkansas.

The District Advertising Federations American Advertising Awards Competition is the second of a three-tiered national competition conducted

annually by the American Advertising Federation. The American Advertising Awards Competition is the industry's largest and most representative competition for creative excellence.

Founded in 1980, The Lee Group is a full-service advertising and marketing communications company with offices in Houston and Beaumont.
